Each year these two wrestling events evolve into something bigger and stronger than just a good ole'-fashion wrestling tournament. They become part of a movement and a platform. Over one-third of all D-I college wrestling programs come together in NY State within a six-day period to form two of the most prestigious early-season wrestling tournaments in the United States. Last year 2,500 people packed the gym to witness greatness at the Northeast Collegiate Duals, while 1,000 more did the same at the Sprawl & Brawl. Please come out and support collegiate wrestling while enjoying a day of terrific activities.
